

Nov. 8, 2017 5:45-6pm Meet & Greet, 6-7pm Meeting Minutes

Ochsner Baptist Cafeteria

In attendance: Kellie Grengs, Om Ingram, Brady Shannon, Garret Majoue, Erin Bambuck, Keuu Rogers, Andy Brott, Jared Frank, Larkin Page, Officer Edgar Stahele

Agenda:

I. Welcome

The mission is to improve the quality of life for residents & visitors to the Freret neighborhood.

Goals include enhanced security with video surveillance & IT technology, improved lighting and beautification.

II. Neighborhood Updates –

Office Edgar Staehle from the 2nd District attended and talked about activity in our area. Still a lot of juveniles pulling car handles and using a special fob to enter cars. Put your car keys at least 50 feet away from your car so you are not a victim. Keep porch lights on and security cameras are a good idea.

FID Security Camera Program – Garret presented info about the program we have implemented and a timeline. Cameras have been installed at Origami and High Hat will get 2 exterior cameras by the end of 2018. Early 2018 we will see additional cameras at Gasa Gasa and Sarita's. The FID has funded this initiative and volunteers have installed the cameras to get better coverage on the corridor where there were gaps.

NPP for 2916 Cadiz Update- Om and Kellie attended. They have been denied the application to demo the duplex. They now want to move the house to another neighborhood. This will provide them with 8 parking spaces in addition to the 9 they currently have at the facility on Claiborne Ave.

Freret Mews Update- As of early November, it appeared the developer pulled the project in its entirety. We will continue to monitor.

City Zoning is amended every 5 years. This recent time in October came and went without any community awareness. Next one is Oct. 2022.

Orleans Parish School Board- Brady Shannon reports week the Orleans Parish School Board (OPSB) will ratify its vision and goals that will help anchor their decisions over the next three years. As part of the process the OPSB is seeking feedback on the vision and goals.
